

## Who - What - When

We will begin meeting at Greater Works Church on Saturday, February \_\_\_\_\_

The meeting will last from \_\_\_\_ to \_\_\_\_.  
We will watch one session, break for fellowship and a snack, then watch a second session. We will end the evening with a time of questions and discussion.

We foresee ongoing training at different times and from different sources. We will continue to "press on to the high calling" of serving in the supportive role referred to in 1 Corinthians 12:28 as "helps."

## In Search of Timothy

As part of the vision of Greater Works Church, and in our attempt to do everything in the spirit of excellence, the Ministry of Helps will offer training for everyone who currently serves - or desires to serve in any supportive role. Whether that means ushering, greeting, hospitality, outreach, or building and grounds. If you have a heart to serve the local church and, therefore, the kingdom of God, this is for YOU!

We will be gathering monthly to watch a training series designed and written by Rev. Tony Cooke called "In Search of Timothy." There will be time for questions and discussion. We value YOUR input and experience!

"In Search of Timothy" is training that will add value to the entire church staff and other key church leaders, maximize our performance, and increase our effectiveness. This training emphasizes teamwork, cooperation, positive attitude, a strong work ethic, integrity, and loyalty to the Senior Pastor.

"In Search of Timothy" will help the Greater Works staff get tuned-up, geared-up, fired-up, and ready to step-up to the next level.

Bible Teacher and Author, Tony Cooke has been serving the Body of Christ in various capacities since 1980. Tony's passion for teaching the Bible has taken him to 46 states and 26 nations.

In 2013, the web-site reached more than 194,000 people, many of them pastors, missionaries, and other church leaders in 214 nations with encouraging and helpful ministerial resources.

Tony was involved in pastoral ministry for more than twenty years, and served as an Instructor and the Dean of Rhema Bible Training Center. He also served for thirteen years as the Director of an RHEMA Ministerial Association International as well as serving as director of RHEMA Alumni Association. Rev. Cooke also served as Associate Pastor under Rev. Kenneth W. Hagin at RHEMA Bible Church. Since 2002, Tony and his wife Lisa have traveled full-time with an assignment of "strengthening churches and leaders."

In addition to being a 1981 graduate of RHEMA Bible Training Center, Tony studied Religion at Butler University and received a degree in Church Ministries from North Central University.

Tony and Lisa Cooke currently reside in Broken Arrow, Oklahoma.

It is our desire to build a strong, interdependent, cohesive group of men and women who are all committed to serving our church with excellence and commitment. To do this, we will have recurring training and fellowships.

JOIN US as we join together to serve the Lord Jesus Christ and Greater Works Church to the BEST of our ability!

Concerning In Search of Timothy:

*"If you desire to be a Timothy - or if you are a Christian leader looking for young disciples and future leaders who will serve with hearts that please both Jesus and you - you need to take the time to read "In Search of Timothy" by Tony Cooke. Tony served for many years as an exemplary Timothy to the "Pauls" God has called him to help. He is one of the most insightful people I've ever known, and his book is filled with practical and godly wisdom on the subject of emerging leadership. In fact, writing about this book makes me want to pick it up and read it all over again! It could only help me do a better job at the rewarding and complex challenge of leading others."*
